# Grapes for good

Zoos SA and Quality Events are proud to partner with six wineries from the Langhorne Creek region as part of the 'Grapes for good' initiative. Kimbolton Wines, Bleasdale, Bremerton, Lake Breeze, The Winehouse and Vineyard Road wineries have come together to create a unique mix of wines to support our conservation efforts with part proceeds from the sale of these wines supporting Zoos SA's conservation mission.

*'Grapes for good' is proof that wine can be a force for good. Every drop can go a little further and make a real difference.*

If you care about animals and you love wine, there's never been a more exciting time to visit our six winery partners based in Langhorne Creek to grab a bottle of our limited-edition 'Grapes for good' wines.

With more than 70% of the species at Monarto Safari Park threatened with extinction in the wild, your support is vital and keeps the fight to save these species from extinction alive.

## A good drop for conservation

### Dulcie Sparkling Chardonnay Pinot Noir

The wine shows a fine bead with a lifted floral aroma and fresh fruit forward palate with subtle yeast characteristic, it finishes with a refreshing touch of apple and citrus.

### Bremerton Wines

#### Mollie & Merle Verdelho

##### *Supporting the Ring-tailed Lemur*

Verdelho is perfectly suited to our region's climate and growing conditions. We chose to make a fresh, vibrant style expressing the pure varietal characters. Using only free run juice, results in a clean, focused Verdelho with lifted perfumed citrus aromas, a bright and textural palate with fine acid balance and great length of flavour.

### Bleasdale

#### Mulberry Tree Cabernet Sauvignon

##### *Supporting the Plains Zebra*

For many, the name Mulberry Tree is synonymous with Bleasdale. Named after the century-old mulberry tree in the vineyard, this is an ever reliable Cabernet Sauvignon with aromas of mixed berries, dark chocolate and violets, finishing with soft and subtle tannins.

### Kimbolton Wines

#### Fiano

##### *Supporting the giraffe*

An ancient Italian wine grape variety, well suited to the growing conditions in Langhorne Creek. This Fiano shows crisp, citrus characters with delicious fresh pear, honey hints and a rich texture on the palate. Drink now either on its own, with fresh seafood or a delicious goats cheese tart.

### Lake Breeze Wines

#### Bernoota

##### *Supporting the bongo*

The 'Bernoota' Shiraz/Cabernet blend shows dark fruit characters of blackberry and plums, with a hint of choc mint. The palate encompasses all of the trademark Langhorne Creek fruit sweetness and soft tannins.

### Vineyard Road

#### Shiraz

##### *Supporting the meerkat*

Our signature Langhorne Creek Shiraz displays lifted aromas of spice, dark cherry and plum. The palate is rich full-flavoured forest fruits and vanilla, finishing with delicate soft tannins. It was vinified using a combination of fermentation styles and American oak.

### The Winehouse

#### Gipsie Jack Dolcetto Rosé

##### *Supporting the African Painted Doga*

Parcels of premium Dolcetto fruit from our Pasquin Vineyard in Langhorne Creek is the rebirth of the Gipsie Jack Rosé. Lifted aromatics of rose oil and florals, with hints of hand crafted boiled lollies and strawberries and cream.
